Principal's Message

Dear Friends of Bishop John J. Snyder High School,

I want to say "Thank You" for your prayers and continued support of our students and for the exemplary Catholic education they receive.

Our students, are our future and,

with the challenges our world poses, they need the tools and resources a Catholic education provides.

Your commitment to our students is a step in faith and in hope – a hope that tomorrow will be brighter than today because of the faith and efforts of our graduates and the contributions they will make.

Throughout this unusual year, one thing has remained constant. We have stayed true to our mission and it continues to guide all our steps.

We assist our parents in the ***formation of young men and women of competence***... our curriculum is presented in various and individual ways. The education our students receive is a classical and rigorous one that will prepare them for college and beyond.

We also assist in the ***formation of young men and women of conscience***... with curricula steeped in the richness of our

Catholic faith, we teach our students to think for themselves and help them develop well-formed consciences that will always seek the good in others and what God's plan is for them. With the courage and inspiration that comes from the Holy Spirit, our students learn to trust that plan and follow it.

Perhaps most importantly, we assist in the ***formation of young men and women of compassion***... the greatest of the three C's, our students learn compassion from the example of how we treat each other. And at Bishop Snyder High School, we are a shining microcosm of the way things could be everywhere – because we value the things that matter – prayer and openness to the will of God.

This past year, we lost our founder and namesake, John Joseph Snyder. Bishop Snyder's life was a testament to everything we hope to instill in our students. Those of us who were privileged to know him are better for it, and his legacy will always shape our decisions and our lives forever.

You can be assured that your investment in Bishop John J. Snyder High School is an investment in the future – and a bright future at that.

Deacon David Yazdiya, M.Ed.
Principal

Principal's Service Award

The Principal's Service Award is given annually to an individual or couple committed to the mission of Bishop John Snyder High School. We recognize people who donate their time and talent to make the school a better place. Because Snyder is blessed with so many good families who have had a positive impact on our school, it's always difficult to pick just one recipient.

Dennis and Adriana Cascante are the recipients of this year's Principal's Service Award. They are a couple who have made a difference in our school by being a strong witness to our mission of Catholic education. The Cascantes are committed to making Bishop Snyder the best school it can be by lending a hand wherever and whenever it's needed and being supportive and positive about the Bishop Snyder experience for many years.

They have given much time, talent and treasure to Bishop Snyder High School over the years, helping out with athletics, the Spring Fling, and in many other capacities. Adriana even served on a committee outside of the school, simply because she was asked. Dennis and Adriana have been a tremendous help to us, always willing to help but be behind the scenes, never wanting any attention. They truly embody what it means to serve.

LEGACY RECOGNITION

This is not something we have ever done before this year and won't be something we do every year. This year, we have a special family that has spanned the years with Bishop Snyder High School.

Mark and Janet Rizk have been with us from the very beginning when their oldest son, Adam, joined us in our very first freshman class and was in the first graduating class in 2006. Since then, we were blessed to also have had Aaron ('08), Alexis ('09), Ashlyn ('18) and Aidan ('20.) As we celebrated our 15th graduating class, there was a Rizk family member on each end!

Over the years, the Rizk family has been involved in all our efforts and have left a proud legacy at Snyder. They have given of their time, talent, and certainly treasure with many years of tuition payments, and have volunteered everywhere and every time they were asked. This family defines what it means to be involved and supportive. We are proud to recognize Mark and Janet as our first Legacy Award recipients.

L-R: Adam Rizk and his fiancée Jacci DeWolf, Ashlyn, Aidan, Mark and Janet, Aaron and Ali enjoying a family vacation in Pienza, Italy.

CLASS OF 2020

ST. TERESA OF AVILA AWARD

"Christ has no body now but yours, No hands, no feet on earth but yours, Yours are the eyes with which he looks compassion on this world. Christ has no body now on earth but yours."

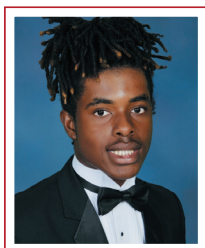

– St Teresa of Avila

Our annual award given in the name of St. Teresa of Avila recognizes students who live out these words each day. There were three recipients of this award in the class of 2020. All have served an extraordinary amount at Snyder and in the community, and all have beautiful servants' hearts which show in their interactions with others.

Our first recipient is **Jacqueline Cascante**. She is an Extraordinary Minister of Holy Communion. She traveled on mission trips to Nashville, Champaign-Urbana, Illinois, and Denver, Colorado. She gives generously of her time to her parish, having recorded much of her service hours to St. Catherine's Parish in Orange Park. Overall, Jacqueline

recorded an impressive 880.5 service hours during her four years at Snyder.

The second recipient is **Isaac James**. He transferred to Snyder his junior year and it seemed like everyone knew him by the end of his first day. His smile is contagious and he gives each person a warm welcome. He has a spirit of gratitude and a loving heart that St. Teresa of Avila wrote about, saying "humility is accompanied by peace and joy."

His work and attitude on the basketball court helped him earn a spot on the Belmont Abbey College Men's Basketball Team this year. His work in the community is very impressive, as he served 794.5 hours throughout his 4 years of high school.

Our third recipient is **Zac Tarantelli**. He served the Snyder and diocesan community with kindness and a love for the Lord. Zac is an Extraordinary Minister of Holy Communion and serves at San Juan del Rio Parish. He served as part of the planning team of the diocesan RAW retreat. At Snyder he was a dependable servant leader who

helped others grow in their faith by his humble witness. Even with his busy schedule of coursework and athletics he served as a co-chaplain of the Snyder Conference of St Vincent de Paul Society. He is attending the University of Florida.

They volunteered at Catholic Charities' Thanksgiving Dinner for New Americans and represented Snyder at Parent Night and Open House.

The inaugural NHS Freshman Exam Jam! was a huge success.

Additionally, the officers led a committee in planning the first annual *Freshman Exam Jam!* This event, open to all freshmen to help them prepare for their first high school midterm exams, was a great success. All of our members served as tutors and facilitators, and over one-third of the freshman class attended. Snacks, materials (e.g. index cards, highlighters, graph paper), and printed study tips were provided.

In May, the officers organized a virtual nomination and election process through our NHS Google Classroom. Candidates posted their campaign speech videos and members submitted their votes via a Google Form ballot. Congratulations to our 2020-2021 officers: President **Yonas Worku**, Vice President **Sophia Abad**, Secretary **Britney Vu**, Treasurer **Michael Aguila**, Chaplain **William Brown**.

GRANDPARENTS' MASS

The term "family" is often used to describe our school community. Our Grandparents' Mass and Reception honors that expression of familial unity and has deep Christian roots.

Our grandparents are special to us in many ways. Pope Francis described the role grandparents can play in witnessing their faith: "Grandparents dream when their grandchildren go forward, and grandchildren have courage when they take their roots from their grandparents." Even the students who are unable to have grandparents

visit benefit from the occasion. As St. Paul writes, "All of them will take care of one another...If one part is honored, every part shares in its joy" (1 Corinthians).

This year we hosted almost 100 grandparents for the Mass and reception! Our guests gathered in the Tierney Media Center where their grandchildren met them and escorted them to the auditorium for Mass. After Mass, the grandparents and their grandchildren returned to the Tierney Media Center for a light reception, a presentation by Deacon Yazdiya and a viewing of the new school video.

THE RACHEL QUIÑONES MEMORIAL 5K

On Saturday, February 1, 2020, a new tradition began as we honored a very special Snyder alumna, **Rachel Quiñones**. Rachel was the Valedictorian of the class of 2009. She earned her BA from The College of William and Mary in 2013 and her MA from the University of Notre Dame in 2018 as part of the ACE Master of Education Program. She taught at St Joseph Academy in Brownsville, TX as part of ACE. She passed away in 2018 after a 5-year battle with cancer.

Runners and Walkers from across the country came to Snyder to celebrate Rachel and participate in our inaugural run.

160 runners and walkers, and dozens of volunteers and supporters joined us in celebrating Rachel and in raising funds for the "Rachel Quiñones Scholarship Fund." The fund is for scholarships at Bishop Snyder and at St Joseph Academy in Brownsville, TX.

The 5K event is a celebration of Rachel's life, and of Catholic Schools which were a huge part of Rachel's life. The Quiñones family and the race committee are sincerely grateful to all who supported our inaugural event. The ACE community was wonderful and showed up in many ways, from nearby and far across the country. The event will continue to be held at Rachel's high school alma mater on the final day of Catholic Schools Week each year.

Save the date for February 6, 2021, the next Rachel Quiñones Memorial 5K!

ST VINCENT DE PAUL SOCIETY – sponsored by Ms. Joy Pichardo

The 2019-2020 Bishop Snyder Conference of the St. Vincent de Paul Society was led this year by President, **Ansley Anderson**; Vice-President, **Danielle Caldwell**; **Emma Lato**, Treasurer; **Mylee Doan** and **Christabel Omo-Erigbe** Social Chairs. SVDP meetings and service projects focus on the pillars of the Vincentian Society - service to the poor, the vulnerable and the sick. During the school year, the students accomplished hundreds of service hours and led the school community in food collections.

SISTERS OF THE HOME OF THE MOTHER

Thanks to Bishop Estevez and the Sisters of the Home of the Mother, a wonderful presentation was provided to our students about the Canonical Coronation of Our Lady of La Leche which has been postponed due to Covid-19.

The Sisters generously prepared us all for the Coronation. Through their talks in the chapel, the sisters helped the students come to know the Blessed Virgin Mother as the Mother of God, the Mother of the Church, the Mediator of Grace, and the Queen of Heaven. They explained the coronation and discussed the history of the Diocese of St. Augustine, including stories about the Florida Martyrs. They also explained what it means to make a consecration to Our Lady of La Leche.

FATHER GILLESPIE - MARIAN CONSECRATION

Bishop Felipe Estévez invited Fr. Hugh Gillespie (of the Company of Mary), an internationally-renowned retreat master, author and expert on St. Louis de Montfort's Marian theology of Total Consecration to Jesus through Mary to offer catechesis in the Total Consecration at diocesan schools.

The Snyder community learned more about how we can grow closer to Our Lord when we grow closer to His Mother Mary. Fr. Gillespie presented to the student body. He was scheduled to visit with religion classes in the chapel on September 3rd, but his presentation was canceled due to hurricane days. The entire school consecrated themselves to Our Lady of La Leche on her feast day, October 11th.

THE NEW CAMPUS MINISTRY ELECTIVE COURSE

L-R - Ms. Joy Pichardo, Anthony Gyant, Lily Poblacion, Ansley Anderson, Bishop Estevez, Deacon Yazdiya, Mylee Doan, Abby Abad, Danielle Caldwell

learned and implemented best practices for Bible studies for students and guests. In the Spring semester they designed and presented a mini-retreat called "Let Your Light Shine" geared at providing middle school students with an opportunity to reflect on our call as disciples to be the light of the world in our relationships with God, others and self. All agree that the class supported and helped to improve their own faith lives. This group of young Christians is to be commended for the sincerity and purpose with which they worked to bring the Gospel to the Snyder family.

In the words of St John Paul II, "Confidence must be imparted to the young by allowing them to assume responsibility for their mission – a mission that bears the mandate to make a difference." In the 2019-20 school year, Snyder Campus Ministry added the Campus Ministry elective course to the religion curriculum to make such a difference. The first of its kind in the Diocese of St Augustine, Snyder's Campus Ministry course was designed to allow students a first-hand experience of using their God-given talents to help bring others to Christ. The seven students who took the course this inaugural year surpassed any expectations written in a course description. Each time the class met was a fruitful time, whether they were discussing how to implement a new opportunity for spiritual growth or simply counting supplies needed for an upcoming retreat. As a class, they actively learned about the practical elements of the sacraments, tweaked class retreat schedules, and

STUDENT LIFE

ESPORTS CLUB – Sponsored by Mr. Robert Martin

This year, Bishop Snyder saw the creation of a new club/team – the eSports Club.

The eSports Club held different console tournaments throughout the year while allowing electronic gamers a chance to share their love of competitive electronic games. Some members of the eSports Club decided to take competitive game play to another level by participating in competition against other schools all over the east coast of the United States. While numerous sports had to stop competing this past spring, our inaugural League of Legend team was able to continue competing from home, while streaming our matches for other club members and fans to watch. This culminated in competing in the Regional Championship tournament in the days leading up to graduation.

Student Coach: **Jacob Mackey**

Players: **Ivan Bernal, Patrick Carter, Lucas Frazier, Aidan Rizk, Ray Santonil, and Christian Tubalado**

HOMECOMING 2019

During Homecoming Week, students hung up their uniforms in favor of each day's theme: one day, they dressed as their favorite celebrities, internet personalities, and memes; another, they came dressed as their favorite comic-book characters. Unlike previous years, the junior and senior boys were the ones given the chance to showcase their athleticism by competing in an afternoon volleyball game. The senior boys spiked their way to victory amid emphatic cheering and laughter from the student body.

Friday night, students gathered together to watch the much-anticipated Boys' Varsity game against Branford and witness the crowning of the Homecoming Court. **Chandler Collier** was named as Homecoming King and **Sarah Kersten** was crowned as Homecoming Queen. Homecoming Week came to an end with over 300 students celebrating together with an outer-space-themed dance that was out of this world. Many thanks to the Student Government Association for their hard work in making Homecoming Week fun and memorable.

In addition to Homecoming King Chandler Collier and Homecoming Queen Sarah Kersten, the 2019 Senior Homecoming Court included Princes **Danny Neri** and **Aidan Rizk** and Princesses **Ariana Greene** and **Sarah Silva**. **Emma Mosley** was voted Junior Princess; **Ellie Wilhelm** was voted Sophomore Princess; and **Maria Silva** was voted Freshman Princess.

NATIONAL GEOBEE

The National Geographic GeoBee Diocesan Championship was held on Saturday, February 29, at Bishop John J. Snyder High School. Fourteen students, representing eight diocesan schools, participated in the third annual event. Dr. Ray Oldakowski, Florida's National Geographic GeoBee State Chair, moderated the competition.

Ana Sophia, an 8th-grader from St. Paul – Jacksonville Beach, won the championship round and received a gold medal and \$250. **Milo Kistka**, an 8th-grader from Assumption, received the runner-up silver medal and \$100.

PHYSICS AND ASTRONOMY FIELD TRIP

by Mr. Robert Martin

This year, the Science Department offered a new class that was really “out of this world” – Astronomy. To kick start this new course and to celebrate the 50th Anniversary of the Apollo 11 Moon Landings, the Physics and Astronomy classes joined together to take a field trip to Kennedy Space Center. While walking around America's Space Port and participating in a scavenger hunt, the students were able to get a feel for the history of America's space program, a chance to learn

about the impact of the space program on Florida's economy and environment, and got a chance to see what the steps are being taken now to move the future of man space travel into the 21st century.

SCHUPPERT SCHOLARSHIP

Last fall, Vincent and June Schuppert of Orange Park generously gifted the Guardian School a large donation which was matched by the Florida Prepaid Foundation. With this gift, six graduates of Guardian Catholic School received a college scholarship. **Devin McLeod** ('23) was one of the worthy recipients. The Schuppert family announced their intention to fund this scholarship again in 2020. We are grateful to families such as the Schupperts for their support of Catholic education.

AMERICAN SCHOLASTIC PRESS ASSOCIATION AWARD TO THE CARDINAL CHRONICLES

by Ms. Kathryn Abbruzzese

The AMERICAN SCHOLASTIC PRESS ASSOCIATION'S Annual Contest Awards for scholastic yearbooks, magazines and school newspapers were released last spring, and the Cardinal Chronicles placed second in the nation for the 2018-19 Seniors issue. Accolades given to this issue included the large 20-page publication which featured interviews with local sports anchors enhancing the sports section. Assistant Editor, Sophia DaSilva's, article *The 21st Century Smoke*, which confronted the battle teens face with peer pressure towards vaping, included an interview with The Florida Department of Health.

This national competition takes submissions from hundreds of school across the nation and are judged on photography, and journalistic reporting.

ADVANCEMENT

As with so many events scheduled after March 16, 2020, two of our signature events were changed. We held our first online Spring Fling in April when it became clear we couldn't have an on-campus event. While we missed seeing everyone, we sure had fun watching the lively bidding online. Thank you to everyone who made the event a success. Mark your calendars for April 24, 2021 for our 18th annual event.

Likewise, we missed saying hello to our loyal friends and supporters at the Cardinal Classic Golf Tournament. We have rescheduled the 2020 event to November 20th at Eagle Landing Golf Club. If you would like to join us, call Zach Osbeck, Director of Athletics, to learn more!

FUND FOR SNYDER

The cost of Catholic education is one of value; yet there are still families who wish to provide a Catholic education for their children but need a small financial assist. In November, we will begin our Annual Appeal to benefit the Fund for Snyder. The Fund for Snyder provides this and allows us to welcome more students ensuring a culture that is rich in diversity. Your gift, no matter the size, makes a world of difference to these families and to our community. If you have more questions about giving, contact Deacon Yazdiya to see how your generosity can make a long-term difference for a young man or woman.

We are grateful to have the support of the following benefactors at Snyder. Please join us in prayer and gratitude for the gifts these families have made in support of Catholic education.

ST. IGNATIUS OF LOYOLA (anonymously funded)

The most recent of the scholarship funds created to benefit a Snyder student, this scholarship is specifically for students coming to Snyder from Assumption Catholic School.

THE JOOS FAMILY ENDOWMENT FUND

An endowment established by Mr. and Mrs. William J. Joos in 2005 to honor the memory of Genevieve and Louis Joos. This planned gift benefits the academic programs at Bishop John J. Snyder High School. The Joos fund ensures a permanent funding to offer the latest in teaching tools for our faculty and students.

THE MCGEE FAMILY SCHOLARSHIP

Former parents, Dr. Terry and Mrs. Erin McGee, established our newest endowed scholarship in 2018 which will assist students from St. Paul's Riverside who choose Snyder for their high school education.

NU-TREND PLASTICS SCHOLARSHIP

The Nu-Trend Plastics Scholarship is designated each spring for a rising 8th grader from St. Matthew's Catholic School or St. Paul's Catholic School who has chosen to attend Bishop Snyder High School. This generous gift comes to us through the generosity of Nu-Trend Plastics and of Mr. and Mrs. Michael Corrigan, Sr. and their children's families Mr. and Mrs. John (Shawn) Asmuth, Deacon and Mrs. David Yazdiya, Mr. and Mrs. Raymond Wood, (Mr. and Mrs. Michael (Edna) Corrigan, and Mr. and Mrs. Dwayne (Casey) Rogers.

RACHEL QUIÑONES SCHOLARSHIP

The Rachel Quiñones Scholarship was established in 2020 in honor of our 2009 Valedictorian, Rachel Quinones. After graduating from Snyder, Rachel attended The College of William and Mary. She was accepted into the Alliance for Catholic Education (ACE) graduate program and was teaching in Brownsville, Texas. After graduating from ACE, Rachel succumbed to the cancer she bravely fought for five years in July 2018. This scholarship is given to students at St. Joseph's Catholic School (Brownsville, TX) and at Bishop Snyder.

PATRICIA A. TIERNEY SCHOLARSHIP

Mrs. Tierney served as the Superintendent of the Diocese of St. Augustine for many years before retiring. During her many years of service, she was actively involved in the Alliance for Catholic Education (ACE) which is a course of study through Notre Dame University. Upon her retirement the ACE community bestowed a scholarship in her name. Each year a young woman from a Guardian School in Jacksonville will receive a \$1,000 to attend Bishop Snyder or Bishop Kenny High Schools.

THE VALLENCOURT SCHOLARSHIP

In 2006 the Vallencourt family of Orange Park honored their parents, F.E. and Barbara Vallencourt, by establishing an endowed scholarship of \$100,000. Two scholarships are given each spring to a rising senior boy and girl who exemplify the work ethic valued by this family. Since its inception 28 students have benefitted from this planned gift.

JAN AND LOU WALSH FAMILY FOUNDATION –

Catholic School Teachers' Children Scholarship

This scholarship is open to families who have a parent employed by the Diocese of St. Augustine as a Catholic school teacher.

While each of these funds have been created by family members, outside gifts to support the charitable gifts of these families is warmly accepted and appreciated.

To discuss how your gift can help Bishop John J. Snyder High School grow, please call our Advancement Office. Should you wish to learn more about establishing a scholarship or other permanent fund, we would be delighted to help you set a path that will truly make a difference in many lives. Please call the Advancement Office for more information.

HONOR ROLL OF DONORS

There are so many different ways that families, individuals and businesses can give, and we appreciate each gift. If you made a donation of any kind to Snyder and are not included in this gift, please let us know so we may acknowledge your generosity.
