

Good afternoon. We are anxious here at Bishop Snyder to get back out on the field. Final exams are wrapping up and 8th grade graduations are all complete. That must mean that summer baseball is upon us. We will be having practice on Monday evening from 5:30-7:30 at the baseball facility. This will give us an opportunity to see our incoming baseball players as well as give our returners the opportunity to unwind after finals. Our JV summer season starts next Thursday so this may be the only time we have to practice as a team before playing. Please let me know if you have any questions in regards to our summer baseball program. Please see details below. We are looking forward to getting after it this summer!

JV Summer Team June 4th-mid July Tuesdays and Thursdays Evenings (\$150)
